**Comments for Public Posting:** Please do NOT ban rodeo and rodeo-like events in Los Angeles. Rodeo is a unique and quintessential part of western American heritage.

**Comments for Public Posting:** I'd like to comment how I think it's pathetic that in 2025 we are still seeing sentient animals as products and machines! I don't want to hear that something is tradition or custom, and has been done for centuries. We already know how that panned out for most of the cruelty that we have gotten rid of. Slavery exploitation and abuse of any species needs to be abolished! Traditions, custom, and religion is never an excuse for abuse! La crueldad de estos costumbres y tradiciones son salvaje y no los quiero que representen mi cultura!
