Comments for Public Posting: I am against the rodeo ban. Rodeo in no way harms an animal. The livestock used is very well cared for. Please speak with people who actually raise livestock and not those that have never raised them and are attacking a way of life.

Comments for Public Posting: "There is no excuse for animal abuse. I support the L.A. Rodeo ban" or create your own message of support for the ban - City Council file #20-1575. These types of events are NEVER "fun" for animals!! And all it teaches children is that it's ok to abuse animals for our supposed "pleasure". It's disgusting!! STOP THIS ABUSE NOW!! Teach children to be kind and care for animals and humans. Nearly every case of sexual abuse of humans by subhumans has begun by abusing animals. Think about that.

Comments for Public Posting: The city of L.A. is joke on humanity. It's controlled by a collection of woke, yellow back sissy democrats. The cities main concern is illegal immigrants and ethnic gangs which they can do very little about or don't want to . It's embarrassing to be a resident of this area. Banning rodeo is just another example of how stupid the people in charge really are.

Comments for Public Posting: This rodeo boasts that it will be "just plain fun." But we all know that it won't be fun for the animals. Rodeo animals are chased, wrangled, roped, and tormented for entertainment. Horses, bulls, steers, and calves can suffer painful injuries, including broken ribs, back, legs, and tails, punctured lungs, internal organ damage, snapped necks, and agonizing deaths.

Comments for Public Posting: We are protesting the Sheriff's Rodeo in San Bernardino, California! This rodeo boasts that it will be "just plain fun." But, we, all, know that it will NEVER be fun for the animals! Rodeo animals are chased, wrangled, roped, and, tormented, for entertainment! Horses, bulls, steers, and, calves, suffer painful injuries, including, broken, ribs, back, legs, and, tails, punctured, lungs, internal, organ, damage, snapped, necks, and, agonizing, deaths! Our family wants to help animals suffering in rodeos by supporting the proposed Los Angeles City Rodeo Ban. Even if there is NO excuse for animal abuse! We support the L.A. Rodeo ban!

Comments for Public Posting: I support the rodeo ban. It's cruel and inhumane. Animals suffer and die for so called "entertainment " of humans. Rodeos belong in history books about the violence that took place in the Old West, not in today's society. Guns are enough of a problem, left over from those days. We don't need rodeos as well. Thank You.

But for whom? Certainly not for the animals that will be hurt. And they have no clue what they are being hurt for or why. We need more compassion in this world, and this is no way to do it.
