Comments for Public Posting: This Rodeo Ban is insanity. This is why anyone that is not a Liberal Loon is leaving the state. The Ca State Code on Rodeo Regulation are current and enough. We protect our families s and our animals, Blumenfeld stop this!

Comments for Public Posting: I just took my dog for a walk. To keep my dog safe from a speeding car I had to pull hard on her leash. After almost choking her, I realized what it must be like for a charging animal to suddenly come to a complete stop with a rope around their neck! Such a cruel and unnecessary sport for debased human enjoyment!

Comments for Public Posting: I fully support the Los Angeles ban on rodeos and San Bernardino should do the same. Rodeos are not happy, fun events for the poor animals forced to participate. Animals are kicked, screamed at, and baby calves violently yanked to the ground with a rope and their breath knocked out of them as their legs are roughly tied together. Bulls and horses are confined to small pens, yelled at, slapped, hit in the face with hats and terrorized in every way possible so when the chute is opened they will “perform”. Many limp away, gasping for breath, and their injuries are never seen by the public. Some are killed behind the scenes or sent to slaughter because they are no longer useful. And this is called entertainment? Ban these events of animal pain and suffering. Shame on anyone supporting such abuse.

Comments for Public Posting: There is no excuse for abuse! Rodeos are abuse for entertainment purposes. The county is saying it supports torturing animals by holding this type of activity.

Comments for Public Posting: This rodeo boasts that it will be "just plain fun." But we all know that it won't be fun for the animals!!! Rodeo animals are chased, wrangled, roped, and tormented for entertainment. Horses, bulls, steers, and calves can suffer painful injuries, including broken ribs, back, legs, and tails, punctured lungs, internal organ damage, snapped necks, and agonizing deaths. I'M SICK OF BEING POLITE!!!! WHAT THE F@#* IS WRONG WITH YOU PEOPLE??!!!!!!!!!! SERIOUSLY?!!!!!!!!!! END THESE SICK AND TWISTED SPECTACLES NOW...TODAY!!!!!!!!!! I DON'T KNOW WHO IS MORE DEPRAVED, YOU PEOPLE WHO PUT THESE "EVENTS" ON OR THE SICK F#%*S WHO WATCH IT?!!!!!!!!!! The rodeo is not fun. PERIOD. EN THEM NOW! RITA LEMKUIL

Comments for Public Posting: We have seen much inhumane treatment of animals at rodeos. Bulletin, roping and barrel races have produced much pain and terror on these animals. Some are not so lucky and sustain critical injuries. When these innocent animals are not being exploited, their lives on the road are not apparel cared for. Please host other family friendly events that do not abuse animals.

Comments for Public Posting: Rodeo is much than a “hobby”. It’s a lifestyle. It’s a way of life. It’s the American way. It’s hard work. It’s values. It’s honor. It’s pride. It’s our heritage. Rodeo has been part of my life and my family’s way of life for years. Please don’t ban rodeos, people need to know and see what it was like in the old days and what somethings are still done to make sure they receive what they enjoy at their dinner. For people that don’t know or understand this way of life , it’s easy to judge but we cannot allow people who have never lived in a ranch or lived that style of life to dictate or make decisions that affect people like us. Thank you

Comments for Public Posting: We think of ourselves as a civilized society. Yet, how primitive and barbaric it is to torture animals for amusement! With all the knowledge we've garnered to date about animals being capable of feeling pain, anxiety, fear, and even affection, some people are still intent on abusing them for recreation. Sadly, this is exactly the purpose of rodeos--to hurt, defeat, degrade, and dominate animals who have no say in whether to participate or not. The cheering crowd enjoys these spectacles...the poor suffering, panicked creatures do not. I've often heard that a nation's evolution is judged by how it treats the less fortunate. If that's correct, we are a sad excuse for a developed society. Please put a ban on rodeos throughout Los Angeles County. The animals--and those wishing to be more evolved--will thank you.
