Comments for Public Posting: There is mountains and mountains of evidence that rodeos are harmful to animals. The rodeo industry claims it's all false. If that's the case, why have the authors of the evidence not been sued for libel, defamation, or slander? Because the evidence of animal harm is true!

Comments for Public Posting: The fact that a veterinarian is present at every rodeo is an admission that these events are inherently dangerous and unsafe. Please outlaw rodeos in LA!
