Comments for Public Posting: Rodeos are not sport. They are hurtful to animals and it's not healthy to cheer on cruelty. People bring their children to rodeos and kids think this is okay when clearly NO animal likes to run away in fear, get roped and forced to the ground. I can't imagine what injuries are sustained for these poor, unfortunate animals.

Comments for Public Posting: To the City Clerk of Los Angeles: We are seriously against the cruelty rampant in the rodeo in L.A., California! We have observed tactics to force the animals to be aggressive and angry!! The men in charge have no respect or compassion for these abused, exploited animals! They suffer stress, injuries and must be euthanized when they are unable to continue to fight! The whole point of the rodeo is to be in power over vulnerable animals that do not want to be there! Also, the lust for ego boosts is normal! Yet, they are forced, against their will, to defend themselves against cruelty and the loss of their lives! It is as medieval and barbaric as it gets! The rodeo must be relegated to the past where it belongs permanently! With our sincere gratitude for your serious and humane consideration for the abused animals!

Comments for Public Posting: Rodeo bull riding is animal abuse and should not be allowed. Legislative measures should be enacted to cease this cruel exploitation.
