**Comments for Public Posting:** Please support and advance Council File 20-1575 to ban rodeo and rodeo-like events in Los Angeles. Devices such as electric prods, flank straps, and calf-roping cause avoidable fear, injuries, and deaths. Other U.S. cities have already acted; Los Angeles should lead with a clear, humane, enforceable standard that protects animals and public safety. Thank you for your time and consideration. — Carla Damia, Tracy, CA
