Comments for Public Posting: I believe the LA city council should ban rodeo because it is harmful for children. "Rodeos are not, as they are widely viewed, a form of "good, clean fun." To the contrary, they are inherently cruel, primitive and violent events....At these events, children are essentially being taught that animals don't have feelings, or that even if they do it doesn't matter. Treating them in ways that control, distress, or even harm them is not only perfectly acceptable but fun. And it is not only acceptable, but applauded by adults."

Comments for Public Posting: What cruel and inhumane treatment of innocent animals for "sport"! Human beings are the only creatures who perpetuate cruelty and suffering on other creatures for their own amusement and "entertainment." We MUST hold ourselves to higher standards of conduct. We MUST show compassion and caring to other living creatures. We MUST STOP the senseless and bloody slaughter of these innocent and magnificent animals. The cruelty must end with us here and now.
