Comments for Public Posting: Rodeo is a cultural way of life for many segments of society. I grew up going to the Native American rodeos in many ways competing at rodeo has before a right of passage. I In these travel I have made many friends in the Hispanic community where rodeo and western events also are culturally significant.

Comments for Public Posting: Diversity of thought, Diversity of America, Rodeo IS America. You will NOT take Rodeo. You will not. Period. Los Angeles City council, who are you to decide what people can do? Save Rodeo, stop the self righteous, virtual signaling, judgemental people trying to take and stop Rodeo in Los Angeles. They use minorities to hide behind their outrageous policies and control of the people. Yet black brown, white Angelenos overwhelmingly love and want Rodeo. Only a few power hungry, controlling, and uneducated counsel members are trying to do this. They know nothing of how animals in rodeo are treated. Save Rodeo.

Comments for Public Posting: Rodeo is very important to our community! Without it the ag industry will eventually fall and animal welfare will change for the worst. Rodeo is family and driven by love and faith. Western values and lifestyle needs to be protected. Save the rodeo!
