Comments for Public Posting: Rodeo is part of American Culture. We want to showcase our roots and our heritage, while caring for our animal athletes. This ordinance is erasing American Culture and Heritage.

Comments for Public Posting: Leather, meat, Ranches, Land Conservation for our Planet's Survival, Cowboys live it. We eat protein, meat, and this "Rodeo Game" is what it takes to grow, handle, vet, breed & raise beef. And the Agriculture lands needed for our, and our livestock's food, 24 hours a day& night, working in all weather, this is what Rural and Cowboy is all about. Not always pretty, neither are slaughter houses or meat packing, but this it is what it takes it provides grocery stores and restaurants with clean, plastic wrapped meat. So, let the Rodeo stay with us!! Enjoy the Ride! Save our planet!

Comments for Public Posting: If someone did to dogs and cats what cowboys do to horses and bulls, they would be in prison. Rodeos should be banned in Los Angeles.

Comments for Public Posting: Rodeos are incredibly dangerous for human athletes, up to ten times as dangerous as football and thirteen times as dangerous as ice hockey. Rodeo should be banned in LA because it is uncivilized.

Comments for Public Posting: Please ban the rodeo, as it amounts to animal abuse. The animals often suffer injuries such as broken legs and broken backs. Because they are prey species, they are terrified by the cheering crowds and bright lights. Some animals try to escape, and those who succeed can pose a danger to the spectators. Additionally, rodeo sports are risky for the cowboys, who frequently get injured. Overall, this event is an unnecessary spectacle we can live without.

Comments for Public Posting: Please ban rodeo. It is inhumane. Animals can feel. They are not here for our entertainment.
