Comments for Public Posting: I would implore the council to become educated on rodeo, the tools used for stock management, and the care given to these animals. No other animals are treated better than rodeo livestock, and it shows in the care given them by stock contractors and rodeo contestants alike. Please vote against any type of rodeo ban.

Comments for Public Posting: Please ban rodeos, because they rely on practices that force animals into unnatural, dangerous behaviors for entertainment, often resulting in stress, injury, and death.
