Dear City Council:

Please increase the LA City Animal Care spay and neuter budget to \$1 Million dollars. And please re-fund the Police Department's Anti-Cruelty Task Force. You are neglecting spay and neuter surgeries which allows animals to suffer great cruelty by not preventing more unwanted births. Animals are also being tortured out in public, with little fear of consequences, due to your not funding the police department's anti-cruelty task force. Please take the right and humane action and do the above things.

Sincerely,  
Your constituent  
Stacy Sullivan Ph.D
