Tell me kids these days are lazy, I'll tell you to go to a rodeo.

Tell me parents aren't raising their kids right, I'll tell you to go to a rodeo.

Tell me people are selfish and only care about themselves, I'll tell you to go to a rodeo.

Tell me nobody knows how to work hard anymore, I'll tell you to go to a rodeo.

Tell me there's no passion left in the world, I'll tell you to go to a rodeo.

Tell me there's no pride left in this country, I'll tell you to go to a rodeo.

Tell me God's not present today, I'll tell you to go to rodeo.

Every direction you look in the western industry, there's God, respect, kindness, honesty, hard work, passion, pride, discipline and love for one another! While many areas of world seem to have their priorities a little backwards, rodeo and the western industry isn't one of them!

So if you want to feel hopeful, apart of something, safe and cared about, go to a rodeo! We PRAY, we STAND, we RODEO! ❤️
