Dear Committee members,

I'd like to voice my support for the proposed Belmont Village Westwood/Presbyterian Church senior care project. The Church and Belmont Village have done an excellent job studying the environmental impacts of the project. My mother has lived at the flagship Belmont Village Westwood and I've been impressed with the professionalism and community this organization has dedicated itself to. They have worked beautifully with the Methodist Church next door and it's my firm belief that this company is respectful to their neighborhood and environment.

Sincerely,

Madeleine Stowe
