Summary: Whereas the City of Los Angeles has a large un-housed population, and Whereas one of the factors contributing to homelessness is the high cost of housing; and Whereas according to the Embarcadero Institute (The Defunding of Affordable Housing in California), one of the contributing factors to the high cost of housing was the drastic decline in state and federal funding for affordable housing; and Whereas the availability of Section 8 vouchers for subsidized housing falls drastically short of the need; and Whereas affordable stable housing contributes to stronger families and communities; The Northwest San Pedro Neighborhood Council supports the motion to include support for legislation that would expand housing voucher programs to all eligible residents in the City's 2021-22 Legislative Platform.
