Comments for Public Posting: I've attempted multiple times to submit comment on this file, and every single time, my comments against it don't appear in the portal even when I validate them. Seems strange that the City Clerk would only selectively post comments. This is a disgusting, racist motion. Cash bail serves no purpose except to keep poor people in jail. The fact that anyone would propose reinstating cash bail in the year 2022 is nearly impossible to fathom considering the wide body of research that shows it does nothing to prevent crime at best, and leads to the deaths of innocent people at worst.
