Council File No: 21-0002-S196

Comments for Public Posting: I oppose councilman's Busciano's motion to reinstate cash bail. The imposition of cash bail overwhelmingly affects people of color and is an undue burden. Just because the councilman hates poor people is no reason to allow him to punish people who have not been convicted of any crimes. As the California Supreme Court has ruled, "conditioning freedom solely on whether an arrestee can afford bail is unconstitutional." Please reject it.
Thanks, Rick Garvey 234 Horizon #5 Venice, CA 90291
