Comments for Public Posting: I oppose this cruel and racist motion given that it's based on a false narrative about a rise in crime which is demonstrably false.

Comments for Public Posting: This is another sadistic, authoritarian, campaign stunt by fascist ex-pig, Joey Buckets, and it should be roundly rejected. Joey Buckets is wasting City resources for free Campaign fodder, using the City Council as his soap box. He doesn't give a flying fuck about public safety. He's the only openly pro-child-abuse member of the council, having been the only No vote on the settlement for 10 year olds abused at an LAPD summer camp. That's right, Mr. Law & Order will allow your 5th grade children to be abused by LAPD, and have their back. John Lee, or as he's better know, City Staffer B, is a flaccid, shriveled, vestigial organ of whatever primitive humanoid species Buscaino is classified as, eager to do the bidding of the only member of the City Council who doesn't loathe him and find him utterly repellent. Fuck you Buckets, fuck you Staffer B
