**Comments for Public Posting:** Thank you Council Members Busciano and Lee for bringing forth this desperately needed reinstatement of our cash bail system. Voters made it clear last November that we wanted cash bail to stay in place and Covid did not change that outcome. Every resident and visitor to our city sees the result of Gascon's overreaching decision to remove the requirement for cash bail. Everyone carries mace or pepper spray, people who have always been opposed to guns now own them, private security teams as well as security systems and cameras are being installed everywhere. It feels as though we are under attack with no one to protect us. I fully support council file 21-0002-S196 to reinstate cash bail. Please continue your efforts to restore the safety and well-being for all of us. Thank you! Susan Collins
