Comments for Public Posting: If we build tiny homes, please do it correctly especially for the price. We can create long term, well built tiny and small home communities that are permanent especially in the Valley! All tiny homes should have full bathrooms. Please build them correctly in nicely, well put together communities. Tiny homes should not look like small jail cells! There are also residents who own tiny homes and need somewhere to put them, help them place their own tiny homes so they can save!
