Comments for Public Posting: After 3 fucking years . Now the moderates are waking up . And more so FUCKIn Blumenfield. Yeah you ! \$10 mil direct assistance to landlords ! The guy with 3.6 mil will take 1/3 of that . The rest of the 200-300 landlords that you are hoping won't sue the city for the not just financial but mental anguish, well are just waiting for that. Because this is about integrity and principles and rights and not just money . lee, park , rodriguez and Mcoskar - thanks for the motion. So after 3 years the city council realizes the funds need to go to the landlords directly ?? Wow , talk abt agility . You guys need a business process rehaul I didn't hear harris Dawson- you two faced snake . All you are is a performer. Talk and talk and talk about the mom and pop landlords yet no where close to the motion and maybe add your bloody money too . Nope ! All you care about is ppl to think oh black councilman who is all pro tenant with a big heart to help small landlords . No you are not asshole. And the rest - clueless eunisses and loud mouth soto and Ofcourse the Harvard uneducated big mouth seem nowhere near the motion . Wait for mass evictions !!! And lawsuits . They are coming. Katy - I sympathize with your ex clients . Worst attorney ever. Learn from Park.
