Comments for Public Posting: I am a home owner who pays more than 4500.00 a year in property taxes. I am very upset to see Motorhomes along the neighborhood streets and tents in the public sidewalks, all living Tax Free on the streets that I pay for to stay clean and safe. I wish funds were properly appropriated, to address this issue, which is spiraling out of control. Code 85.02 which the Mayor uses to keep our police from doing anything about this, has to be reversed. We need to vote in tougher, vagrancy laws and stop this teaching of our city streets.

Comments for Public Posting: It's vital that a strong protective order is put in place to protect tenants in these uncertain times. A stronger tenant moratorium protective order would ensure that people are not displaced through no fault of their own for not being able to pay rent. There are not enough services to deal with the economic fall out of the pandemic. The area is yet to recover from the loss of employment for thousands of people. The Los Angeles City Council must do the job they were elected to do and protect its constituents, especially the most vulnerable like seniors, single mothers, people of low economic means. People are hurting and if the city council doesn't step up with stronger policies to protect the people, the people will make sure that those that supposedly represent us are ousted. We need strong leadership and sadly this iteration of city council representatives have fallen very short of doing their jobs from the mayor to every city council representative. It's time to step up or leave if you can't do the job you were elected to do.

Comments for Public Posting: 1. I am a resident of Los Angeles. 2. I OPPOSE the use of Los Angeles public parks and beaches for housing the homeless. These public spaces should be kept clean and safe for the recreation of tax paying citizens and their families. 3. I demand permanent campuses be built for the care and shelter of the homeless, at scale, and with full public approval. 4. VOTE NO on Motion 21-0350 5. Thank you for listening to your taxpayers.
