Comments for Public Posting: Hello, I am reaching out to implore you to join Mitch O' Farrell in supporting the relocation of houseless individuals who inhabit encampments near our parks and schools. We are at the piping where people are just going to leave LA because it is dirty and unsafe. I know you all are trying to do your best and it is not an easy fix but schools and parks must be off-limits. Mental hospitals need to be a TOP PRIORITY. These people need help and a hotel room is not going to resolve their issues. How can we legally and humanely move in that direction? Best, Jennifer

Comments for Public Posting: Please clean up the homeless tents on Selma near Selma elementary school. When Bridge Housing was put in we were told the police and city would have the necessary legal means to sweep the encampments and clean the streets. It's not fair to the neighborhood and certainly not fair to the kids and families to have to walk through tents, and filth to be able to go to school. It's also dangerous. You should do what's been promised and what is right or we will have no to society to return to when Covid lifts.
