Comments for Public Posting:	To Los Angeles City Council: 2-23-22 I strongly urge you to VOTE NO on 21-0307-S1, the MOTION coming before the Homelessness and Poverty Committee, Planning and Land Use Management. By allowing and encouraging UNHOUSED individuals to live on the sidewalks and streets of the West Side - CD-!!, you have supported turning our backyards into crime filled, dangerous living situations for us, the Residents if these communities. One persons rights should not take precedence over another's. We all know that Homelessness is a dire situation that needs immediate action. The solution is NOT to allow them to live on the streets and sidewalks all over Los Angeles. The violent crime, guns, theft is now pervasive in all of our neighborhoods on the West Side of Los Angeles (CD-11). Homelessness needs TREATMENT - for Drugs, Mental Health...as well as immediate temporary housing. Housing on the sidewalks, streets and parks all over Los Angeles has solved NOTHING and has simply made the whole city a very dangerous place. My own family has experienced fire and theft and crime....IN OUR own homes and neighborhood. Mike Bonin was recalled by a vote of more people than elected him in the first place. He may have discounted recall votes based on technicalities. But, the fact remains, he has done NOTHING BUT ENCOURAGE Homelessness, violent crime, fire, in the very District he is supposed to represent. He is COMPLETELY INDIFFERENT TO OUR SAFETY!! Thank God we now have an opportunity for NEW Council members, Mayor and hopefully District Attorney, who will bring Law and Order back to our City of Los Angeles...and defend the rights of ALL RESIDENTS, as well as house the homeless in accommodations that do NOT endanger other residents... giving them the treatment they so sorely need. PLEASE VOTE NO ON THIS LAST DITCH EFFORT OF MIKE BONIN. It is ANOTHER BAND AID that perpetuates the violent crime and danger throughout or City. It does NOT SOLVE the problem of HOMELESSNESS. Thank you . MT
