**Comments for Public Posting:** Dear Councilmembers, I would like to express my STRONG OPPOSITION to council file 21-0329. L.A.M.C. 41.18 offers families a small but meaningful layer of safety around areas where our children and vulnerable family members need to be protected. The majority of people in Los Angeles want additional safety measures to be implemented, yet this motion will reduce safety around schools, daycares, and other sensitive areas. I respectfully request that you OPPOSE Council File 21-0329 and enforce 41.18 in a robust and meaningful way to ensure the safety and well-being of our families, especially in CD4 where enforcement seems to be non-existent. Thank you, L. Murdock Homeowner, Tax Payer, and Registered Voter in CD4 Sherman Oaks
