**Comments for Public Posting:** Please do not allow for homeless encampments on our beaches. I can't believe this was even an idea- there are plenty of other places for this- the VA, sports arena parking lots... our beaches and hillsides are a precious resource and putting encampments here is dangerous on all levels.

**Comments for Public Posting:** I am extremely concerned about the proposal to consider housing homeless people in Will Rogers' beach parking lot. It will turn Will Rogers into Venice which is in no-ones interest, whether local beach users or visitors from across LA. Please find better alternatives.
