Hi, Bok, Sean,

Pls see request below from LACC team. Is this a change we can quickly incorporate into our current work plan/schedule? Or will the change significantly impact our timeline for the Rec Report? Remember that we will for sure still have rec changes due to Pico St vacation area revisions to be forthcoming from B-Permit design review.

Hi Hui,

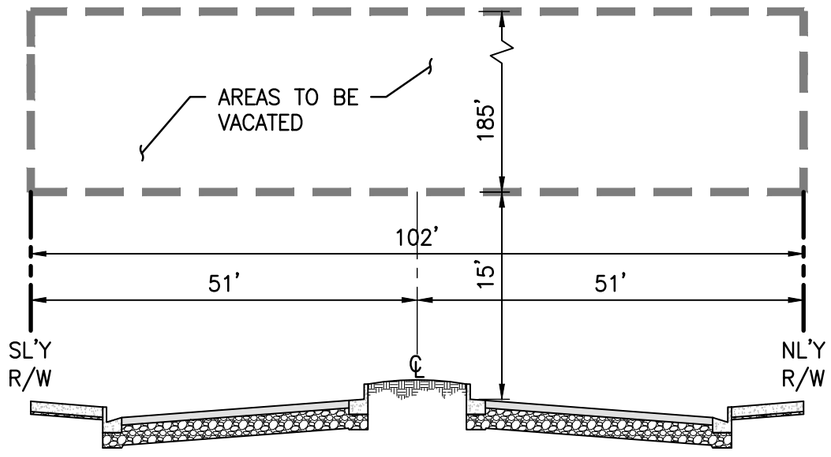

Reaching out about the Airspace Vacation associated with the LACC Expansion. Can you help us remove Vacations 4, 5, 6, and 7 from the attached Airspace Vacation Exhibit?

We still want to proceed with moving to council as quickly as we can.

Regards,

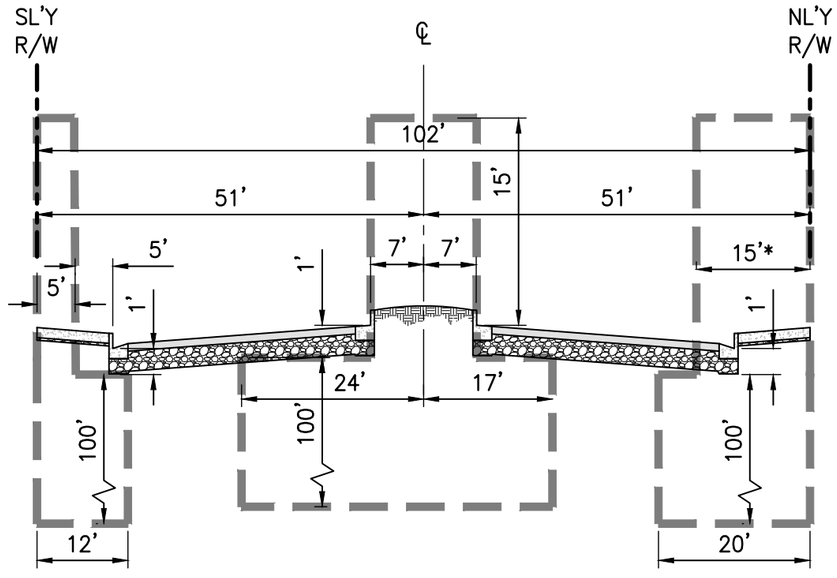

Kevin
