

## Communication from Public

**Name:** Diana Jimenez

**Date Submitted:** 05/27/2022 09:06 AM

**Council File No:** 21-0600

**Comments for Public Posting:** As a resident of CD1 I urge the entire council to vote yes to the eminent domain of Hillside Villa. The City has experienced a consistent loss of affordable housing and this would be a step to protect the livelihoods of Angelenos. This vote would also curb the city's inflow into homelessness and housing insecurity that so many residents face. VOTE YES to help maintain affordable housing in the city.
