Comments for Public Posting: The Bridge Housing in Venice is only 2/3 full. Why? There are reportedly 54 beds available and that many tents residents within two blocks. I advocated for Bridge Housing but I consider it a failure in Venice. The reality in this community is that there are still many, many people wandering the streets and acting crazy & angry, so don't claim success here in Venice until it is actually true. I'm tired of being gaslighted from the right, and now the left is doing it too.
