

## Communication from Public

**Name:** Clarence Richardson

**Date Submitted:** 10/02/2021 07:28 PM

**Council File No:** 21-0878

**Comments for Public Posting:** I 100% disagree with the propped vaccine passports of any and all person in Los Angeles, the USA or anywhere else. A persons vaccination status is no ones business other than that person and their doctor. We as people do not belong to the government and we can not be treated as cattle. This measure is outrageous and down right disgusting, to think we as free people would be subject to such nonsense.
