Council File No. 21-0878

Honorable Members:

Pursuant to your request, this Office has prepared and now transmits for your consideration the enclosed draft ordinance, approved as to form and legality. The draft ordinance would add Article 10 to Chapter XX of the Los Angeles Municipal Code to require proof of full vaccination with a Covid-19 vaccine to enter certain public locations, large events, and City buildings.

The draft ordinance covers locations as directed by the Chief Legislative Analyst's (CLA) report, which was transmitted to the City Council on September 23, 2021. The CLA report is a product of the City Council's instruction to the CLA to work with the Economic Workforce and Development Department and our Office to solicit input from businesses, business organizations, and Council Offices on the type of public spaces to include in the draft ordinance.

Council Rule 38 Referral

A copy of the draft ordinance was sent, pursuant to Council Rule 38, to the Economic and Workforce Development Department with a request that all comments, if any, be presented directly to the City Council when this matter is considered.

Members of this Office will be available when you consider this matter to answer questions you may have.

Sincerely,

MICHAEL N. FEUER, City Attorney
