

187310
ORDINANCE NO. _____

An ordinance adding Section 55.22 to Article 5, Chapter V of the Los Angeles Municipal Code, to prohibit the possession, purchase, sale, receipt, or transport of a non-serialized unfinished firearm frame or receiver, or non-serialized firearm, subject to certain exceptions.

WHEREAS, Los Angeles has been experiencing a significant increase in the detection and recovery of firearms that lack a serial number and are untraceable, which are commonly known as “ghost guns”;

WHEREAS, ghost guns lack a serial number and/or other identifying marks, and are assembled or constructed using non-serialized and unfinished firearm parts, including unfinished frames or receivers, which are often sold in ghost gun kits;

WHEREAS, ghost gun kits contain all necessary parts to assemble a firearm and convert an unfinished frame or unfinished receiver into a functional firearm;

WHEREAS, ghost gun kits and unfinished firearm parts are specifically designed and marketed to be converted into fully functional firearms using only basic hand tools;

WHEREAS, a firearm assembled from a ghost gun kit is non-serialized and untraceable through law enforcement databases;

WHEREAS, ghost gun kits are intentionally marketed as unregulated and untraceable to appeal to persons prohibited from purchasing firearms legally;

WHEREAS, ghost gun kits are available for sale over the Internet, circumventing the background check process, and allowing persons prohibited from possessing firearms to obtain them;

WHEREAS, given the wide availability of ghost gun kits, the ease with which ghost guns can be assembled, and the difficulties in tracing them, ghost guns have become readily available throughout California and Los Angeles, including by persons prohibited from possessing or purchasing firearms, including due to criminal history, restraining orders, mental illness, or status as a minor;

WHEREAS, in 2020 the Los Angeles Police Department (LAPD) recovered a total of 813 ghost guns in connection with law enforcement encounters or investigations;

WHEREAS, from January to August 2021, LAPD recovered 1,270 ghost guns in connection with law enforcement encounters or investigations, a 257% increase from the same period in 2020, and an increase of 56% for all of 2020;

WHEREAS, in 2020, ghost guns accounted for a third of all weapons recovered in the City of Los Angeles;

WHEREAS, in 2020, LAPD recovered many ghost guns in connection with arrests for violent crimes, including 14 murders, 50 assaults with deadly weapons, 15 armed robberies, 4 carjacking incidents, 11 incidents involving the malicious discharge of a firearm at an inhabited dwelling house, and 9 domestic violence incidents involving the infliction of injury on a spouse or cohabitant;

WHEREAS, between January and September 2021, ghost guns were used to commit many violent crimes in the City of Los Angeles, including 24 murders, 8 attempted murders, 60 assaults with deadly weapons, and 20 armed robberies;

WHEREAS, in 2020, LAPD recovered many ghost guns in connection with arrests of persons prohibited from possessing firearms, including 195 convicted felons, and 9 minors;

WHEREAS, in 2020, the Los Angeles Field Division of the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) noted that 41% of cases involved ghost guns;

WHEREAS, ghost guns have been a significant influencer in the surge of gun crime, because they give criminals and prohibited persons who are not allowed access to firearms the ability to get weapons;

WHEREAS, the City of Los Angeles ended 2020 with 350 homicides, the most in a decade;

WHEREAS, as of July 2021, homicides in the City of Los Angeles were up nearly 30% over the previous year, and shootings were up 43%;

WHEREAS, the lack of a serial number makes it difficult for law enforcement to reliably track and investigate ghost guns that have been recovered in crime;

WHEREAS, the Council finds and declares this Ordinance will promote and protect the public health, safety, and general welfare of the residents of the City of Los Angeles;

WHEREAS, the Council finds and declares this Ordinance will promote effective law enforcement by providing reasonable measures to address the dangers posed to the community by ghost guns; and

WHEREAS, the Council further finds it is within the City's police powers to implement and enforce the provisions of this Ordinance;

NOW, THEREFORE,

**THE PEOPLE OF THE CITY OF LOS ANGELES
DO ORDAIN AS FOLLOWS:**
