Comments for Public Posting: PLEASE consider supporting this motion. By terminating employees for this matter, it will leave the city without a lot of specialized expertise that will be detrimental to the overall operations of the city's operations. You will loose dedicated employees that love their jobs and rely on their jobs to provide basic needs for their family! This type of decision is not a cookie cutter one size fits all type of decision. This decision should be left to the individual, their doctor, and their god, not their employer. Thank you for your consideration.
