RECOMMENDATION

That the Council, subject to approval of the Mayor, authorize the General Manager of the Department of Cultural Affairs to execute the proposed supplemental agreement for Contract C-130546 with Museum Associates, Inc. to extend the term of the original contract to September 30, 2021 with no change to maximum contract amount, subject to review and approval of the City Attorney as to form.

SUMMARY

In accordance with Executive Directive No. 3, the Department of Cultural Affairs (Department) requests the authority to execute a proposed supplemental agreement with Museum Associates, Inc. (Contractor), to allow the Contractor sufficient time to complete conservation and maintenance work on the Watts Towers. The proposed supplemental agreement will extend the term of Contract C-130546 to September 30, 2021, with no change to the maximum contract amount.

Subsequent to the Department's transmittal dated May 27, 2020, the Department revised the proposed supplemental agreement, to change its end date of December 31, 2020 to September 30, 2021. A copy of the revised supplemental agreement is included with the Department's transmittal as an attachment to this report.

<p>Andy Chen</p>	
<p>AC Analyst 08210018c</p>	<p>City Administrative Officer</p>

The Watts Towers are owned by the State of California. In 1978, the City signed a 50-year, operating agreement with the State through which the City is responsible for the oversight, restoration, conservation, education and related cultural programming for the Watts Towers. Since December 2010, the Department has contracted with the Contractor to provide assistance in fulfilling their agreement with the State.

On December 5, 2017, the Department and Contractor executed Contract C-130546 with the Contractor to provide conservation and preservation services for the Watts Towers, such as needed mortar repairs, crack filling, and the repair of loose decorative elements. The term of Contract C-130546 was for July 1, 2017 to March 30, 2020, for a maximum contract amount of \$2,000,000. Contract C-130546 was funded through the Capital Improvement Expenditure Plan in the 2013-14 Adopted Budget, with no additional impact on the General Fund.

Due to the meticulous and time-consuming nature of the work, the Contractor was unable to complete the scope of the work described by the contract before March 30, 2020. In addition, as a result of COVID-19 and the closure of City facilities, the Watts Towers campus has been closed to the public, and activities at the site have been severely restricted. The Department's request will allow both the Contractor sufficient time to complete its work in restoring the Watts Towers, and the Department to compensate the Contractor for the work performed. To date, the Department has paid the Contractor \$1,750,000, and is waiting for the Contractor to transmit a final invoice of \$250,000.

In accordance with Charter Section 1022, the Personnel Department determined that City classifications could not perform the work. To the best of our knowledge, the Contractor has complied with all City contracting requirements, policies, and procedures. The Department did not require participation in the Business Inclusion Program (BIP) since the Contractor is a sole source contractor and was not selected through a Request for Proposals. The sole source designation for Contract C-130546 was approved by the Office of the City Attorney. The proposed supplemental agreement is subject to review by the City Attorney as to form.

FISCAL IMPACT STATEMENT

Funding of \$250,000 is available and encumbered in Fund 100, Department 54, Account 00K041 as part of the Capital Improvement Expenditure Plan in the 2013-14 Adopted Budget. There is no additional impact on the General Fund.

FINANCIAL POLICIES STATEMENT

The recommendation included in this report complies with the Financial Policies of the City in that one-time funding will be used to support the one-time expenditure.

Subject: REQUEST AUTHORITY TO EXECUTE A FIRST SUPPLEMENTAL LETTER OF AGREEMENT TO CONTRACT NO. C-130546 WITH MUSEUM ASSOCIATES, INC. DBA LOS ANGELES COUNTY MUSEUM OF ART (LACMA)

Summary

In accordance with Mayor's Executive Directive No. 3, the Department of Cultural Affairs (DCA) requests authority to execute a First Supplemental Letter of Agreement (1st SLA) to Contract No. C-130546 between Museum Associates, Inc. (LACMA) and the City of Los Angeles (City) for the restoration of towers at the Watts Towers State Historic Park ("Watts Towers"). The proposed 1st SLA will extend the term of the agreement to December 31, 2020, to allow the Contractor to complete the scope of work under the agreement.

Background

The Watts Towers is a National Historic Landmark, that is also listed on the National Register of Historic Places, California State Historic Monument, California State Historic Park, and a Los Angeles Cultural Heritage Monument. Owned by the State of California (State) and located at 1765 East 107th Street, Los Angeles, California 90002, the Watts Towers are a unique collection of interconnected sculptural towers constructed of a structural steel core, wrapped in wire mesh which has been covered with mortar, and inlaid with tile, glass, shell, pottery, and rocks. Set in only a fourteen-inch foundation, the tallest of the towers is ninety-nine and a half feet tall and contained the longest reinforced concrete columns in the world upon its completion, an important record in the history of architecture. The stability of the entire monument is ensured by its innovative architectural design embodying universal structural principles found in nature.

Through an agreement with the State, DCA is responsible for providing oversight of ongoing maintenance, restoration, conservation, education, and related cultural programming for the Watts Towers. To assist DCA in fulfilling its responsibility to administer the conservation and maintenance needs of the Watts Towers, on December 5, 2017, the City executed Contract No. C-130546 with LACMA to provide conservation and preservation services for the Watts Towers that included needed mortar repairs, crack filling, and the repair of loose decorative elements.

The work to repair the Watts Towers is extremely meticulous and time-consuming. Due to the nature of the work, and through no fault of the Contractor, LACMA was unable to complete the scope of the work under Contract No. C-130546 prior to its expiration on March 30, 2020. In addition, the Watts Towers campus has been closed to the public since mid-March due to the COVID-19 outbreak and any activities at the site have been severely restricted. To allow for completion of the required work under Contract No. C-130546, DCA is requesting authorization to extend the term

of the agreement to December 31, 2020. DCA anticipates opening the Watts Towers campus, in limited capacity, in the upcoming weeks so the work to restore the Towers may be able to continue. DCA submitted a Notification of Intent to Contract to the CAO's Employees Relations Division for the proposed Supplemental Letter of Agreement.

Selection Process

Museum Associates, Inc. was selected to perform the highly detailed and specialized conservation and restoration work for the Watts Towers based on its unique expertise and experience in the repair of historic arts venues, considerable knowledge of the Watts Towers and access to multifaceted museum professionals and art experts. Moreover, the State, acting through its Department of Parks and Recreation, agreed that Museum Associates, Inc. was well-suited to perform the work and that contracting with the organization would help advance the critical goal to restore and preserve the Watts Towers. Museum Associates, Inc. is a local non-profit organization located at 5905 Wilshire Boulevard, Los Angeles, CA 90036, and its Business Tax Registration Certificate number is: 0000247355-0001-1.

Funding

Funding to restore and preserve the Watts Towers in the amount of \$2,000,000 was approved in the City's Capital Improvement Expenditure Program (CIEP) for Fiscal Year 2013-14 in Fund 100, Department 54, Account 00K041. Additional funds are not being requested for this proposed 1st Supplemental Letter of Agreement.

Recommendation

Authorize the Department of Cultural Affairs to execute a First Supplemental Letter of Agreement to Contract No. C-130546 between Museum Associates, Inc. and the City of Los Angeles to complete conservation and restoration of the towers at the Watts Towers State Historic Park, subject to the review and approval of the City Attorney as to form and legality.

STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-9. Termination

A. Termination for Convenience

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.

If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
- 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

INSURANCE CONTRACTUAL REQUIREMENTS

CONTACT For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at www.lacity.org/cao/risk. The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

STANDARD PROVISIONS

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

- 1 **Non-Profit 501(c)(3) Organizations:** A corporation claiming exemption under Section 10.37.15(b) of the LWO as a corporation organized under Section 501(c)(3) of the United States Internal Revenue Code must provide the following additional documents in support of the application for exemption:
 - (1) A copy of the most recent IRS letter indicating that the Employer has been recognized as a non-profit corporation organized under section 501(c)(3) of the United States Internal Revenue Code.
 - (2) The LW-28 501(c)(3) Non-Profit Exemption Application referred to in the LWO Rules and Regulations Appendix A must include the salary certification information. The salary certification must list the salary of the corporation's chief executive officer (CEO), computed on an hourly basis, and the hourly wage rate of the lowest paid worker in the corporation. The salary of the CEO, when computed on an hourly basis, must be less than 8 times what the lowest paid worker is paid on an hourly basis. For purposes of this exemption, the "chief executive officer (CEO)" means the CEO of the 501(c)(3) corporation that entered into the agreement or the highest paid person employed by the corporation if the CEO is not the highest paid employee. The "lowest paid worker" refers to the lowest paid worker employed by the 501(c)(3) corporation that entered into the Agreement with the City, regardless of whether the person works on the City Agreement.
- 2 **Exemption by Collective Bargaining Agreement – LAAC 10.37.12:** An Employer subject to provisions of the LWO may, by collective bargaining agreement (CBA), provide that the CBA, during its term, shall supersede the requirements of the LWO for those Employees covered by the CBA. The provisions of the LWO should not be interpreted to require an employer to reduce the wages and benefits required by the CBA. All parties to the CBA must specifically waive in full or in part the benefits required by the LWO. An Employer applying for this exemption shall submit a copy of the CBA. If the CBA does not specifically indicate that the LWO has been superseded, the Employer shall submit written confirmation from the union representing the Employees working on the Agreement that the union and the Employer have agreed to let the CBA supersede the LWO.
 - (a) If the final CBA signed by the Employer and the union supersedes the LWO, in full or in part, the Employer shall be considered to be exempt from the LWO's specified provisions for the time period covered by the effective dates of the superseding CBA. The Employer remains subject to all applicable provisions of the LWO for the time period not covered by the superseding CBA. If the Employer has not complied with the LWO requirements during the time period not covered by the superseding CBA, the Employer shall be required to make retroactive corrections for any period of violation, which may include making retroactive payments to affected employees for the relevant periods of violation.
 - (b) If the final CBA signed by the Employer and the union does not supersede the LWO, the Employer shall be required to comply with all applicable LWO requirements, including the wage and benefits provisions. Compliance shall also be required retroactively to the date that the Employer first became subject to the LWO. If necessary, the Employer shall provide retroactive payments to affected Employees for any time period during which the Employer did not comply with the LWO.
- 3 **Small Business Exemptions for Public Lessees and Licensees – LAAC 10.37.15(a):** A public lessee or licensee claiming exemption from the LWO under section 10.37.15(a) shall submit the application for "Small Business Exemption" referred to in the LWO Rules and Regulations Appendix A, along with supporting documentation to verify that it meets the requirement that the lessee or licensee employs no more than seven (7) people on and off City property.
 - (a) For purposes of this exemption, a lessee or licensee shall be deemed to employ a person if the person works for a company or entity that is owned or controlled by the lessee or licensee, regardless of where the company or entity is located; or if the person works for a company or entity that owns or controls the lessee or licensee, regardless of where the person works for a company or entity is located. Whether the lessee or licensee meets the seven (7) person limit shall be determined using the total number of people employed by all companies or businesses, which the lessee or licensee owns or controls, or which own or control the lessee or licensee. For purposes of this example, "control" means that one company owns a controlling interest in another company.
 - (b) If a business operated by the lessee or licensee is part of a chain of businesses, the total number of people includes all everyone employed by the entire chain of businesses unless the business operated by the lessee or licensee is an independently owned and operated franchise.
 - (c) A public lessee or licensee shall be deemed to employ no more than seven (7) people if its entire workforce (inclusive of the people falling within the guidelines stated in subsections (a) and (b) above) worked an average of no more than 1,214 hours per month for at least three-fourths of the of the previous calendar year.
- 4 **Governmental Entities – LAAC 10.37.14(b):** Agreements with governmental entities are not subject to the requirements of the LWO. If an Agreement is not subject to the LWO because the Employer is a governmental entity, Subcontractors performing work for the governmental entity on the Agreement are also not subject to the LWO.
- 5 **Utilities Companies – LAAC Section 10.37.14(c):** Contract for work done directly by a utility company pursuant to an order of the Public Utilities Commission.

To whom it may concern,

One of the forms submitted by the Department of Cultural Affairs with Museum Associates' recent Cultural Service Agreement was submitted in error. In retrospect, we have realized that the LW-28 was not the appropriate form, and the information provided on this form was incorrect. The lowest paid employee working on the activities supported by the Cultural Service Agreement is paid at least minimum wage, in compliance with the Living Wage Ordinance.

Please accept our apologies for this oversight.

Sincerely,

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the instructions for line 1 and the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. IRAN CONTRACTING ACT OF 2010 COMPLIANCE AFFIDAVIT

(California Public Contract Code Sections 2200-2208)

The California Legislature adopted the Iran Contracting Act of 2010 to respond to policies of Iran in a uniform fashion (PCC § 2201(q)). The Iran Contracting Act prohibits bidders engaged in investment activities in Iran from bidding on, submitting proposals for, or entering into or renewing contracts with public entities for goods and services of one million dollars (\$1,000,000) or more (PCC § 2203(a)). A bidder who "engages in investment activities in Iran" is defined as either:

1. A bidder providing goods or services of twenty million dollars (\$20,000,000) or more in the energy sector of Iran, including provision of oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or
2. A bidder that is a financial institution (as that term is defined in 50 U.S.C. § 1701) that extends twenty million dollars (\$20,000,000) or more in credit to another person, for 45 days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created by the California Department of General Services (DGS) pursuant to PCC § 2203(b) as a person engaging in the investment activities in Iran.

The bidder shall certify that at the time of submitting a bid for new contract or renewal of an existing contract, the bidder is **not** identified on the DGS list of ineligible businesses or persons and that the bidder is **not** engaged in investment activities in Iran in violation of the Iran Contracting Act of 2010.

California law establishes penalties for providing false certifications, including civil penalties equal to the greater of \$250,000 or twice the amount of the contract for which the false certification was made; contract termination; and three-year ineligibility to bid on contracts (PCC § 2205).

To comply with the Iran Contracting Act of 2010, the bidder shall provide its vendor or financial institution name, and City Business Tax Registration Certificate (BTRC) if available, in completing **ONE** of the options shown below.
