RE: Council File No. 21-1087

On February 4, 2025, the Government Operations Committee an October 4, 2022 Board of Police Commissioners report and April 28, 2023 joint Office of Finance/Department of Cannabis Regulation report relative to unauthorized cannabis activity. After consideration and having provided an opportunity for public comment, the Committee Chair moved to make the following recommendations that were approved by the attending Committee members:

1. NOTE and FILE the following reports relative to illegal cannabis activity, inasmuch as these reports are for information only and no Council action is required:
 - a. October 4, 2022 Board of Police Commissioners report
 - b. April 28, 2023 joint Office of Finance/Department of Cannabis Regulation report
2. INSTRUCT the Department of Cannabis Regulation to report on potential legislative options for license types that would be the most productive for enhancing revenue and reducing the illicit cannabis market within the City of Los Angeles.

This file is now transmitted to the Public Safety Committee.
