Comments for Public Posting: This is a really gross motion that was written explicitly to criminalize street vendors who specialize in bicycle repair. As a cyclist, why did the biking community and bicycle repair vendors have no input on it? The myth of widespread bicycle chop shops is completely overblown. Property crime is down year over year in Los Angeles, so why are we spreading police propaganda and panic?

Comments for Public Posting: The only thing this motion will do is lead to police harassing unhoused people. This is a terrible solution to a non-existent problem.
