Comments for Public Posting: Do not implement further barriers such as this that will negatively impact individuals already facing the most challenging of barriers everyday

Comments for Public Posting: I oppose this motion wholeheartedly. Criminalization will not solve the problems of our city, but rather make them worse. Do not pass this motion.

Comments for Public Posting: I oppose this motion. It's nonsensical. We should encourage bicycles and maintaining them rather than replacing.

Comments for Public Posting: This motion is one of the dumbest and vaguest things I have ever read. I oppose it. Furthermore, I was on the Zoom meeting where MVCC BoD voted to endorse this motion and the public comments were about 5-to-1 against. The BoD ignored the *overwhelming* opposition from the community and endorsed it despite massive stakeholder objection, so their endorsement of this motion should have a giant 30 ton asterisk next to it.
