**Comments for Public Posting:** Hello, We have seen a significant reduction in excessive speeding and an increase at full stops at stop signs the Slow Streets program was temporarily installed in our neighborhood. since the My family appreciates the effort and supports a permanent By making the program permanent, hopefully we can further reduce reckless driving in our neighborhood (and all across Los Angeles) and make our neighborhood streets much safer and quieter. Please support this item. Sincerely, Mike Leonardo Silver Triangle - Studio City

**Comments for Public Posting:** I whole heartedly support the creation of a permanent Slow Streets program in the City of Los Angeles! Can we please make the program permanent? Our neighborhood is full of young families with children. We have an amazing community with the kids playing out front and dogs being walked. Cars are constantly cutting through our streets and speeding which is very dangerous. Please help make our neighborhood streets safer and quieter. Please support this item.

**Comments for Public Posting:** I happily support the creation of a permanent slow streets program for the City of Los Angeles. Slow Streets are one of the most popular programs the city has created. By making this permanent, giving it a framework for expansion (including synching with the Mobility Plan), and funding it well, we can make the streets much safer, quieter and comfortable.
