**Comments for Public Posting:** "My name is Diane Wagner, I live in Hancock Park 90004 ]. I am herein favor of Item 3, the Livable Communities Initiative report. I strongly support the Livable Communities Initiative as it will encourage the creation of safe, walkable, bikeable livable communities across L.A. and help create urgently needed gentle-density housing. Los Angeles needs the kind of visionary city planning that is included in this report. I would urge the Committee on Housing and Homelessness to unanimously endorse the findings and recommendations in the Report, and to recommend the full City Council swiftly adopt it, as well. Thank you very much."
