

Communication from Public

Name: Will Wright

Date Submitted: 12/07/2022 08:18 AM

Council File No: 21-1230-S2

Comments for Public Posting: As the Director of Government & Public Affairs for the Los Angeles Chapter of the American Institute of Architects, I am writing in support of the Livable Communities Initiative. We request that City Council instruct LACP, LADBS, and LADOT to reach out directly to AIA Los Angeles during their 'report back' process and to involve architects and designers in the final shaping of the program to ensure optimal effectiveness.
