Comments for Public Posting: The representatives to the Neighborhood Council Sustainability Alliance voted without opposition in support of the motion in Council File 21-1230-S2 (Livable Communities Initiative). We are excited by a vision for Los Angeles to reduce housing costs, help people get around without a car, and make our neighborhoods more walkable and bikeable, which will help reduce our impact on the climate. We have joined the Livable Communities Initiative coalition and look forward to contributing to the vision and making it a reality.

Dear city leadership:

The representatives to the Neighborhood Council Sustainability Alliance voted without opposition in support of the [motion](#) in [Council File 21-1230-S2](#) (Livable Communities Initiative).

We are excited by a vision for Los Angeles to reduce housing costs, help people get around without a car, and make our neighborhoods more walkable and bikeable, which will help reduce our impact on the climate.

We have joined the Livable Communities Initiative coalition and look forward to contributing to the vision and making it a reality.

Thank you,

Lisa Hart
