Comments for Public Posting: For LCI My name is Robin Gupta. I live in mid city Los Angeles. I strongly favor Item 3, the Livable Communities Initiative report and strongly support the Livable Communities Initiative as it will encourage the creation of safe, walkable, bikeable livable communities across L.A. and help create urgently needed gentle-density housing. Los Angeles needs the kind of visionary city planning that is included in this report. I would urge the Committee on Housing and Homelessness to unanimously endorse the findings and recommendations in the Report, and to recommend the full City Council swiftly adopt it, as well. Thank you. Robin Gupta
