Comments for Public Posting: Hello, Dear City Council, "I support the Draft #3 of the Housing Element/CHIP Ordinance, as presented by the Planning Department, without Exhibit D "options" that would open up single-family neighborhoods to rezoning. The Planning Department in its report clearly states that they have found enough zoning in other areas to meet the State's mandate for housing without the need to rezone our single-family areas. File number 21-1230-S5. Thank you
