

ORDINANCE NO. 188499

An ordinance authorizing and providing the sale of certain City-owned real property located at 2949 Edgehill Drive, Los Angeles, CA 90018 to the Housing Authority of the City of Los Angeles.

**THE PEOPLE OF THE CITY OF LOS ANGELES DO
ORDAIN AS FOLLOWS:**

Section 1. Pursuant to Los Angeles Administrative Code Section 7.27, the City Council of the City of Los Angeles hereby finds and determines that the public interest or necessity requires the conveyance of that certain real property owned by the City of Los Angeles and located at the address and/or location set forth hereinafter (the Property) to the Housing Authority of the City of Los Angeles (Buyer) without notice of sale or advertisement of bids because: (1) the Property will be rehabilitated for use as a long-term affordable housing development (Project) subject to a 77-year (75 years, plus 2 years to complete rehabilitation) affordability covenant (City Covenant); (2) priority for the affordable units will be given to Section 8 voucher-holders, many of whom have historically faced difficulties in locating units due to factors including discrimination, resulting in a high number of expired or unused vouchers; and (3) the Property will be conveyed to the Buyer subject to a power of termination clause pursuant to California Civil Code Section 885.010 et seq.

Sec. 2. Pursuant to Los Administrative Code Section 7.27.3, the City Council of the City of Los Angeles approves the sale of the Property to Buyer for the development of the Project at its fair reuse value and finds that: (1) the long-term affordability restrictions to be placed on the Property, prevailing wage, and accessibility requirements results in a residual land value of negative \$233,000; (2) the negative residual land value places the fair reuse value of the Property and purchase price of the Property at \$0.00; and (3) the sale of the Property to Buyer will assist the City with its goal of creating more long-term affordable housing.
