COMMUNITY IMPACT STATEMENT

The Board of the Studio City Neighborhood Council (SCNC) supports Council File 21-1465: Title, Los Angeles Police Department / Property Crimes / RV Overpopulation. Areas populated with oversized vehicles, including recreational vehicles, contribute to certain traffic and public safety challenges including overcrowded streets, obstructed views, and decreased parking. This overpopulation of RVs also presents a public safety risk to RV dwellers as well. In order to ensure the conditions of these corridors are not contributing to the recent upward trend in crime and to protect community residents, the Los Angeles Police Department (LAPD) should study the prevalence of crimes within corridors populated with recreational vehicles.
