City Council consideration of our appeal is obviously nothing more than a sham process where the outcome is so predetermined that the city clerk's office can publish the conclusion days in advance.

Furthermore, at the October 17 scheduled appeal hearing before the Planning and Land Use Management Committee, representatives for Hollywood Presbyterian stated that the East Hollywood Neighborhood Council Governing Board voted to support their project. This is incorrect, and no evidence has been submitted by the applicant to support this claim.

Doug Haines, for the
