Hello Ms. Knox Jones:

I received your voicemail message this afternoon. Please be advised that I am not representing the appellant in this matter, and I have not previously. My name was erroneously added. I am told the appellant has previously asked the Planning Dept. to remove my name and the firm's name from the notices and file.

Would you please be so kind as to do so, and to add this email to the official file and record?

Please reply here with any questions, and please confirm your receipt of this email. Thank you very much.
