**Comments for Public Posting:** The MRCA is in strong support of the City to pursue implementation and funding for outstanding t LA Riverway trail connectivity, as well as the community and trail connections within the State mandated and adopted Plan- Upper Los Angeles River and Tributaries Revitalization Plan administered by the city's local Conservancy- the Santa Monica Mountains Conservancy. This was a multi-year effort encompassing the Upper LA River watershed with County, 6 local municipalities, state, NGO and local leaders' participation, which had extensive public participation and input, and culminated in a comprehensive Plan with public, government and stakeholder support.
