RE: CF 22-0002-S98 / Rim of the Valley Corridor Preservation Act (H.R. 1075, S. 7169)

Dear Councilmembers,

The Chatsworth Neighborhood Council strongly supports the Rim of the Valley Corridor to be included as part of the Santa Monica Mountains National Recreation Area. Doing so will help preserve the scenic hills and wildlife habitat that surrounds Chatsworth and the San Fernando Valley as a whole, and more importantly will help to maintain and improve wildlife connectivity within the Santa Monica Mountains. Such action is urgently needed as wildlife continues to suffer due to development, drought, traffic, and toxins. Such action will also coincide and bolster the additional efforts being made by the City of Los Angeles, such as creating Wildlife Districts and by other government entities, such as with the creation and/or implementation of wildlife crossings.

Sincerely,

Jeff Hammond
CNC President
