Summary: The Board of the Northwest San Pedro Neighborhood Council . (NWSPNC) supports Council File 22-0037 to build out crisis continuum of care, local County, State and Federal levels to include a crisis call center, mobile crisis response, walk in urgent care, secure crisis center, support services and intensive outpatient services. We support identifying community spaces that can be transformed into community crisis resource centers where groups like CIRCLE and CRESS can be deployed. We also support the implementation of a 988-hotline system for mental health crisis and expansion of mental health mobile crisis teams.
