Dear Sir or Madam:

This email is in regards to the City Council vote this Tues., May 10th on Council File 22-0158, which grants the city authority to build homeless shelters in any area of our city, including directly next door to my home, as "By Right" projects, and the authority to make them permanent.

As a resident of Los Angeles, I would like to request the members of City Council Vote **NO** on Council File 22-0158.

Please be advised this is my request to the City Council to vote against Council File 22-0158, or kindly direct me to the correct address to submit a request or to make a public comment on this matter.

Thank you,

Jessica Choi
